

Encore Acquisition Company Announces Completion of Mid-Continent and East Texas Acquisition

FORT WORTH, Texas, Aug 11, 2009 (BUSINESS WIRE) -- Encore Acquisition Company (NYSE: EAC) ("Encore" or the "Company") announced today that it has completed the acquisition of certain oil and natural gas properties in the Mid-Continent and East Texas from EXCO Resources, Inc. (NYSE: XCO) and an affiliate, EXCO Operating Company, LP.

The Company funded the acquisition with proceeds from the sale of certain oil and natural gas properties in the Rockies and Permian Basin to Encore Energy Partners LP (NYSE: ENP), which also closed today, and borrowings under its revolving credit facility.

About the Company

Encore Acquisition Company is engaged in the acquisition and development of oil and natural gas reserves from onshore fields in the United States. Since 1998, Encore has acquired producing properties with proven reserves and leasehold acreage and grown the production and proven reserves by drilling, exploring, reengineering or expanding existing waterflood projects, and applying tertiary recovery techniques.
