

inTEST Schedules Second Quarter 2008 Conference Call

CHERRY HILL, N.J., July 14 - inTEST Corporation, a leading independent designer, manufacturer and marketer of semiconductor automatic test equipment (ATE) interface solutions and temperature management products, today announced that it will hold a conference call with investors and analysts on Wednesday, August 13, 2008 at 5 p.m. ET to discuss the Company's second quarter 2008 results and management's current expectations and views of the industry. The call may also include discussions of strategic, operating, product initiatives or developments, or other matters relating to the Company's current or future performance. The news release announcing the second quarter results will be disseminated on August 13, 2008 after the market close.

The dial-in number for the live audio call beginning at 5 p.m. ET on August 13, 2008 is + 1-201-689-8560 (international) or 1-877-407-0784 (domestic). A live web cast of the conference call will be available on inTEST's website at www.intest.com.

A replay of the call will be available 2 hours following the call through midnight on Wednesday, August 20, 2008 at www.intest.com and by telephone at +1-201-612-7415 (international) or 1-877-660-6853 (domestic). The account number to access the replay is 3055 and the conference ID number is 291186.

About inTEST Corporation

inTEST Corporation is an independent designer, manufacturer and marketer of ATE interface solutions and temperature management products, which are used by semiconductor manufacturers to perform final testing of integrated circuits (ICs) and wafers. The Company's high-performance products are designed to enable semiconductor manufacturers to improve the speed, reliability, efficiency and profitability of IC test processes. Specific products include positioner and docking hardware products, temperature management systems and customized interface solutions. The Company has established strong relationships with semiconductor manufacturers globally, which it supports through a network of local offices. For more information visit <http://www.intest.com>.
