

inTEST CORPORATION RECEIVES GOING CONCERN QUALIFICATION

CHERRY HILL, NJ, July 15, 2009 - inTEST Corporation (Nasdaq: INTT), an independent designer, manufacturer and marketer of semiconductor automatic test equipment (ATE) interface solutions and temperature management products, today announced that the audit report to the consolidated financial statements for the fiscal year ended December 31, 2008, included in the Company's Annual Report on Form 10-K ("Form 10-K") filed with the Securities and Exchange Commission on July 10, 2009, contained a going concern qualification from its independent registered public accounting firm, McGladrey & Pullen, LLP.

This announcement is being made in compliance with Nasdaq Marketplace Rule 5250(b)(2) which requires a public announcement through the news media disclosing the receipt of an audit opinion containing a going concern qualification. This announcement does not represent any change or amendment to the Company's financial statements or to its Form 10-K for the year ended December 31, 2008.

About inTEST Corporation

inTEST Corporation is an independent designer, manufacturer and marketer of ATE interface solutions and temperature management products, which are used by semiconductor manufacturers to perform final testing of integrated circuits (ICs) and wafers. The Company's high-performance products are designed to enable semiconductor manufacturers to improve the speed, reliability, efficiency and profitability of IC test processes. Specific products include positioner and docking hardware products, temperature management systems and customized interface solutions. The Company has established strong relationships with semiconductor manufacturers globally, which it supports through a network of local offices. For more information visit www.intest.com.

Forward-Looking Statements:

This press release includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements do not convey historical information, but relate to predicted or potential future events that are based upon management's current expectations. These statements are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. In addition to the factors mentioned in this press release, such risks and uncertainties include, but are not limited to, changes in business conditions and the economy, generally; changes in the demand for semiconductors, generally; changes in the rates of, and timing of, capital expenditures by semiconductor manufacturers; progress of product development programs; increases in raw material and fabrication costs associated with our products; implementation of additional restructuring initiatives; costs associated with compliance with Sarbanes Oxley and other risk factors set forth from time to time in our SEC filings, including, but not limited to, our periodic reports on Form 10-K and Form 10-Q. The Company undertakes no obligation to update the information in this press release to reflect events or circumstances after the date hereof or to reflect the occurrence of anticipated or unanticipated events.
