

inTEST Corporation to Present at SEVEN; Noble Financial Capital Markets' Seventh Annual Equity Conference May 16, 2011

MOUNT LAUREL, NJ -- (MARKET WIRE) -- 05/13/11 -- inTEST Corporation (NASDAQ: INTT), an independent designer, manufacturer and marketer of semiconductor automatic test equipment (ATE) interface solutions and temperature management products, today announced that its management will present at SEVEN; Noble Financial Capital Markets' Seventh Annual Equity Conference at the Hard Rock Hotel in Hollywood, Florida, on Monday, May 16, 2011 at 4:30 p.m. Eastern Daylight Time.

Robert Matthiessen, President and Chief Executive Officer, and Hugh Regan, Jr., Chief Financial Officer, will be presenting and hosting meetings with investors to discuss the Company's financial performance, business trends and growth opportunities.

At the time of the presentation, a live audio and high-definition video webcast of inTEST Corporation's presentation and a copy of the presentation materials will be available on the Company's web site www.intest.com, or through the Noble Financial websites: www.noblefcm.com, or www.noble7.com. The Company recommends registering at least 10 minutes prior to the start of the presentation to ensure timely access. You will require a Microsoft SilverLight viewer (a free download from the presentation link) to participate. The webcast and presentation will also be archived on the Company's web site www.intest.com for 90 days following the event.

About inTEST Corporation

inTEST Corporation is an independent designer, manufacturer and marketer of ATE interface solutions and temperature management products, which are used by semiconductor manufacturers to perform final testing of integrated circuits (ICs) and wafers. The Company's high-performance products are designed to enable semiconductor manufacturers to improve the speed, reliability, efficiency and profitability of IC test processes. Specific products include positioner and docking hardware products, temperature management systems and customized interface solutions. The Company has established strong relationships with semiconductor manufacturers globally, which it supports through a network of local offices. For more information visit www.intest.com.

Forward-Looking Statements:

This press release includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements do not convey historical information, but relate to predicted or potential future events that are based upon management's current expectations. These statements are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. In addition to the factors mentioned in this press release, such risks and uncertainties include, but are not limited to, changes in business conditions and the economy, generally; changes in the demand for semiconductors, generally; changes in the rates of, and timing of, capital expenditures by semiconductor manufacturers; progress of product development programs; increases in raw material and fabrication costs associated with our products; implementation of additional restructuring initiatives and other risk factors set forth from time to time in our SEC filings, including, but not limited to, our periodic reports on Form 10-K and Form 10-Q. The Company undertakes no obligation to update the information in this press release to reflect events or circumstances after the date hereof or to reflect the occurrence of anticipated or unanticipated events.
