

## **inTEST Schedules Fourth Quarter 2007 Results Conference Call**

CHERRY HILL, N.J., Feb. 6 -- inTEST Corporation (Nasdaq: INTT), a leading independent designer, manufacturer and marketer of semiconductor automatic test equipment (ATE) interface solutions and temperature management products, today announced that it will hold a conference call with investors and analysts on Wednesday, March 5, 2008 at 5 p.m. ET to discuss results for the Company's fourth quarter 2007. The news release announcing the fourth quarter results will be disseminated on March 5, 2008 after the market close.

The dial-in number for the live audio call beginning at 5 p.m. ET on March 5, 2008 is +1-201-689-8560 (international) or 1-877-407-0784 (domestic). A live web cast of the conference call will be available on inTEST's website at [www.intest.com](http://www.intest.com).

A replay of the call will be available 2 hours following the call through midnight on Wednesday, March 12, 2008 at [www.intest.com](http://www.intest.com) and by telephone at +1-201-612-7415 (international) or 1-877-660-6853 (domestic). The account number to access the replay is 3055 and the conference ID number is 273735.

### About inTEST Corporation

inTEST Corporation is an independent designer, manufacturer and marketer of ATE interface solutions and temperature management products, which are used by semiconductor manufacturers to perform final testing of integrated circuits (ICs) and wafers. The Company's high-performance products are designed to enable semiconductor manufacturers to improve the speed, reliability, efficiency and profitability of IC test processes. Specific products include positioner and docking hardware products, temperature management systems and customized interface solutions. The Company has established strong relationships with semiconductor manufacturers globally, which it supports through a network of local offices. For more information visit <http://www.intest.com>.
