Stamps.com Named to Internet Retailer's Top 500 Guide for 2016

EL SEGUNDO, CA -- (Marketwired) -- 06/02/16 -- Stamps.com® (NASDAQ: STMP), the leading provider of USPS [postage online](#) and [shipping software](#) to approximately 650,000 customers, announced today that it has been named to *Internet Retailer's* Top 500 Guide for 2016. This is the second consecutive year that the company has been featured in *Internet Retailer's* Top 500 Guide. Stamps.com has jumped up in rankings to #8 in 2016 from #13 last year in the company's primary merchandising category.

The Top 500 Guide, published by *Internet Retailer* magazine, ranks online retailers from all over the U.S. and Canada based on annual online sales, and includes key metrics such as monthly web traffic, unique visitors and conversion rates. Now in its 13th year, companies included in the Top 500 Guide account for 84% of all e-commerce sales in the U.S. and Canada.

"It is an honor to be named to *Internet Retailer's* Top 500 Guide for a second straight year," said Stamps.com Chairman and CEO Ken McBride. "As the leader in shipping solutions for online retailers, this recognition is due to a collective effort of our team members' dedication and hard work to creating the best shipping software on the market."

Stamps.com will be an exhibitor (Booth #1621) at the 2016 *Internet Retailer* Conference and Exhibition in Chicago from June 7 to June 10, 2016.
