About Stamps.com and PhotoStamps

[Stamps.com](#) (Nasdaq: STMP) is a leading provider of Internet-based postage services. Stamps.com's service enables small businesses, [enterprises](#), advanced shippers, and consumers to print U.S. Postal Service-approved postage with just a PC, printer and Internet connection, right from their home or office. The Company currently has PC Postage partnerships with Avery Dennison, Microsoft, HP, the U.S. Postal Service and others.

[PhotoStamps](#) is a patented Stamps.com product that couples the technology of PC Postage with the simplicity of a web-based image upload and order process. Customers may create full custom PhotoStamps with their own digital photograph, or they may choose a licensed image from one of many PhotoStamps collections such as the collegiate collection. Since launching PhotoStamps in May 2005, more than 70 million individual PhotoStamps have been shipped to customers. Stamps.com currently has PhotoStamps partnerships with Apple, Google/Picassa, HP/Snapfish, Costco, Adobe and others.
